Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

British bush baby slams her asshole with a butt plug.
Sofie spends the entire clip saying the filthiest, most incredibly sexy things. She also slams a butt-plug into her tight asshole and begs for a dick.

25-year-old XL girl Addison shows off her all-natural 34HH-cup tits.
"My breasts started to blossom into full E-cups and then eventually into HH-cups when I was 16," she told us.

18-year-old blonde Mia has tan lines and a soaking wet pussy.
Mia is small and nervous to be on camera. She gives a brief interview before cumming for you.

Kate fucks her boyfriend and smears his jizz all over her face.
She is darn near perfect. She has blond hair and a short, cute cut, blue eyes, nice small boobs and puffy nipples made for nibbling.

Lizzy, an eager teen with little tits, gets licked, sucks and fucks.
She jerks her guy onto her face and proceeds to clean his knob with her mouth, sucking every last drop of jizz out of his rod. She's a 19-year-old who was born to perform.

Cici, 18, is adorable and shy. She shares her hidden kinks.
She says in her interview that she's vanilla, but she shares some kinky stuff after she gets warmed up. Then, she shows off how wet her slit can get.

Holly works at Dairy Queen, and she's serving up her pussy and ass.
She's 26 and recently broke up with her boyfriend. That's why she's filming herself cumming for you.

Teenager Jenna takes on a massive dong until it makes her squirt.
Maybe it's more of an ooze than a squirt, but it's still hot. Jenna's tight cunt could barely take the behemoth!

Jaye's boyfriend films her cumming.
Jaye gets off masturbating on-camera. Her boyfriend gets off filming her. It's a win-win situation for them and for you. Enjoy this young brunette coed.

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Lucie*

Age: 19
Height: 4'11"
Weight: 91 lbs.

"I'm into BDSM sex and I love having my asshole licked and fucked while I'm tied down. It's liberating to not have any power and just allow myself to feel good and cum as much as possible. It's easy for guys to take control of me because I'm so small, so I guess it's a good thing that I'm a submissive in the bedroom! If you want to bind me with leather straps, shove a ball-gag in my mouth and fuck me senseless, go for it."

Lalipop

Saint Petersburg, Russia

Lovely little Lalipop is a very sexual girl. Her mind is constantly thinking about the last time and the next time she can get her hands, lips and pussy around a cock. "My hormones are through the roof," she told us. "But I don't necessarily think that's a bad thing."

"I can cum just from penetration, which I think is rare. Most of my girlfriends have told me that they have to play with their clits to have an orgasm. I can do that, too, but all I need for a penetration orgasm is a cock or a dildo and a little bit of time to find the right angle on my G-spot. I'll cum for almost a minute straight and squirt all over the place."

Lalipop works part-time at a fancy hotel in a swanky neighborhood. "It's a good way to make some money while I'm in school. Once, when I first started working there, an older guy hit on me while I was helping him find a dinner reservation in the city. He was traveling for business from Germany. I ended up spending the night with him and having mind-blowing sex. The next morning, I showered, changed back into my uniform and clocked in for the day."

It's only fair...

"I'm a fan of anal if the guy knows what he's doing back there. You've gotta go slow at first! I had one guy who got way too vigorous and hurt my butt. Now, if a guy wants to have anal, I demand that I get to finger his ass first to show him what it's like."

Helen

Bend, Oregon

Ah, the great outdoors! What could be better than the alpine smell of the forest, the sounds of lapping lake water and the clicking of a camera as a young blonde strips naked and spreads her pussy lips wide-open for your pleasure. Not much! Helen is a nature-loving gal who spends a lot of time outdoors. "I ski, run, climb a little bit and ride my bike everywhere. I spend a ton of time outdoors with friends," she told us.

"My boyfriend loves taking pictures of me. He has a whole folder on his computer of me flashing my tits at concerts or on long walks with our dog. I think this is the first time he's ever shared them with anyone, I think. Who knows? I'm sure his friends have all seen those pictures a million times. I don't really care. I'm easygoing with my body and with nudity."

Spring those tits free!

"Winters can be harsh where I live, so when Spring comes around, I like to take advantage of the warmer weather by going to the hot springs and taking a long, relaxing soak. It's great because it's a suits-optional kind of place!"

The Rubber Vault.

Amatore Bolzoni had a weird hobby. The Italian who passed away in 2007 collected 2,077 different condoms, enough rubbers to earn the Guinness World Record for most extensive collection of condoms. He began his assemblage in the early1980s on a lark while traveling around the world. He gathered a variety of Jimmy hats from Europe, the USA, Africa, and Asia. Before he passed, he told Guinness that his oldest condom dated back to the 1800s and was constructed out of a sheep's bowel. Allegedly, his favorites were US Army condoms handed out to soldiers in WWII. After Amatore passed away, his son Massimo inherited the collection and is still displaying it today for the public, even adding new models to the lot. What a legacy!

Have you heard of Bundling?

Imagine you're a traveling loner in the Wild West. Your horse is thirsty, you're out of supplies, and the next town is barely visible on your faded map, let alone on the range of the dusty, orange horizon. But you can see a farmhouse in the distance. You negotiate with the man of the house to eat supper and stay for the night. He has one condition. You have to sleep with his daughter, who has been sown into a burlap sack. This is the set-up for a joke, right? No. It's a practice called bundling.

Also known as "bed courting," bundling started with the pre-Celtic inhabitants of the British Isles. The Dutch and the Welsh then picked up the idea for a while, and they brought the practice to the American colonies, where it caught on like wildfire. By the time Europeans had ditched the tradition, Americans had fully embraced the idea of having young couples sleep side-by-side without the possibility of touching one another and ending up pregnant. Bundling lets two young people test the waters of marriage by allowing them to spend the night together without strict supervision. Teenagers then, like now, can't be trusted not to fuck themselves silly the moment nobody else is around, so countless young women were stuffed into sacks that were then sown and cinched tight to be plonked next to their boyfriend or even a complete stranger. Families with young daughters, especially those far from populated towns, would frequently rent rooms in their homes and discount the price for single men if they bundled with a young, unmarried woman. A custom-made bundling board, basically a wooden plank, would often be placed right down the middle of the bed to separate the two further. So, as you imagine yourself as a cowboy in need of shelter for the night, try to visualize how hard it would be to drift off to sleep with a wide-eyed and cocooned female stranger staring at you, trying to get you to propose marriage. Sweet dreams.

Are you ready for bed, cowboy?

ONE BADASS WOMAN

We here at Naughty Neighbors love strong women. We like a chick who swears like a sailor, drinks her pints tall, fucks like a feral animal and isn't afraid of getting in your face or telling it like it is. Sure, fresh-faced 18-year-olds are cute and can be fun for a jerk-off fantasy session, but strong women are a different breed. Famous Texan author, cowboy and WWI veteran Frank Dobie wrote, "Conform and be dull." If ever there were a non-conformist, a badass, a free spirit and an all-around strong woman, Julie d'Aubigny is it. She was a famous opera singer, a master of swordplay, had a razor-sharp tongue and liked to sleep around with men and women. She didn't bend the rules. She snapped them in two as if they were toothpicks. Here is a brief, factual and unbelievable biography of one of the most exciting women ever.

Julie d'Aubigny was born in 1673. Her father's employer was a Great Officer of the Crown of France for King Louis XIV. Dad was a teacher and an accomplished swordsman, and he made sure Julie learned everything male court pages were learning, including fencing. She was a quick student with the sword and began to beat boys her age easily by 12, so she began fencing with men. As this sort of gender mixing was in poor taste in 17th-century France, her father began dressing her as a boy. Julie's fondness for men's clothing would eventually lead to intrigue, mystery, sex and murder, but we'll get to that in good time. By age 14, Julie had seduced her father's boss, Count d'Armagnac, and become his mistress. To avoid the appearance of impropriety, the Count had her married to the Sieur de Maupin, a local government underling, and she gained the title Madame de Maupin. However, her husband was quickly restationed to the south of France, and Julie stayed put with her lover, the Count. Julie was quickly becoming a hot commodity.

Who knew chicks from the 17th century were so awesome?

Eventually, Julie grew bored of fucking her dad's boss. She met a young and poor fencing instructor named Sérannes, and the two ran off for a life on the road. They put on fencing demonstrations in taverns and carnivals. At one exhibition, a man stood up and yelled that she must be a young boy disguised as a women as no female could fence so well. Julie turned to him, ripped the buttons from her blouse and gave the entire crowd a glimpse of what we have to imagine was a very feminine set of tits, proving the heckler wrong. Provocations like that one

Marlemm

Kiev, Ukraine

Busty and beautiful Marlemm has returned to tell us about her sexy exploits. She originally appeared in *NN2904*, and she's back to share more. "The last time I was here, I told you guys about an older guy in his 60s who I fucked. I mentioned that it was a one-night stand, but I wanted some older cock soon. Well, I just had a threesome with two guys in their early 50s! It was exceptional. They treated me like a dirty princess."

Wasted opportunity!

"When I was hooking up with those older men, I got hornier than I've ever been. I wanted to try DP even though I'm not usually a fan of anal sex. They got me in position, but my tight ass just wouldn't open for the guy's cock."

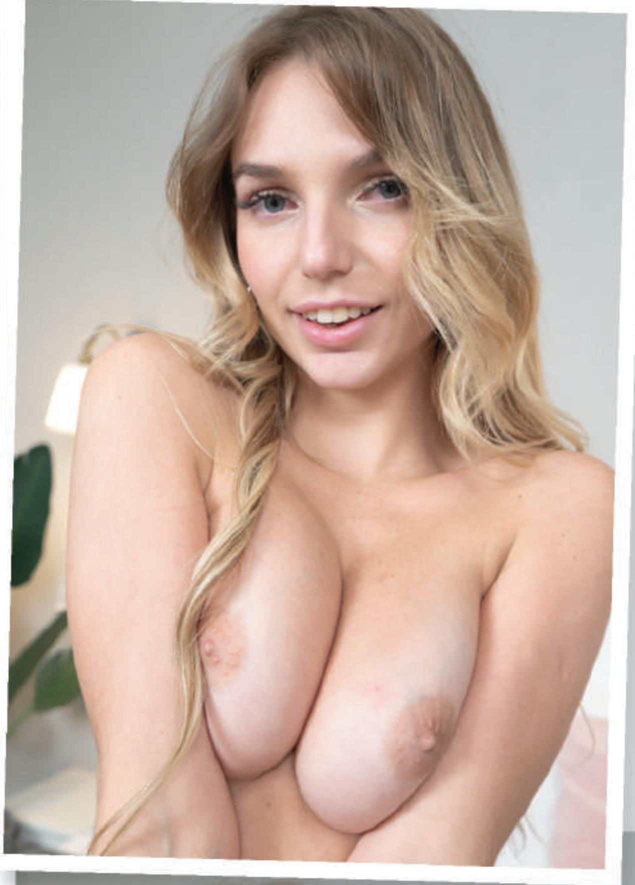
Sandra

Moscow, Russia

Sandra isn't your typical girl-next-door. For one thing, she oozes sex appeal. Second, she told us that she almost exclusively wears lingerie. "I like to feel sexy, so unless I'm going to the gym or a doctor's appointment or something, I'll have on sexy lingerie underneath my clothes. It makes me feel confident, sexy and a little mysterious. It's my little secret."



"I work as a tutor, and a lot of my clients are young men. I can tell which ones have crushes on me because they'll hide their crotches when they get hard. I'd never have sex with a student, but I do like a little harmless flirting. Sometimes, I'll lean over, exposing more cleavage than I would normally, or I'll make sure that my perfume is fresh on my neck when I lean in to teach them something."

Sandra's perfectly hairless snatch is a great-looking treat! We complimented her on her bald pussy. "Thanks," she replied. "I can't stand body hair on me. I've literally never had a full bush. I don't have any issue with body hair on men, though. I like a hairy chest and legs. I don't want a guy with yeti pubes, though! I put in a lot of work to make sure I'm sexy and shaved."

Start your engines!

"I just got this toy and I've been using it a ton! My old vibrator was one I picked up in university. It was barely powerful enough to get me off. The power of this new one is insane! If I use it too much, it'll make my clit go numb."

Asya

Moscow, Russia

Whoa, Asya has a nice rack! Her boobs are all-natural D-cuppers, and she loves showing them off. "I'm not really an exhibitionist," Asya told us. "But I like showing off when I'm horny. I had sex with a guy once in the backseat of a moving car. It was early in the morning, and everybody else on the road was heading to work."

We asked Asya if she likes to masturbate. "I love it. I would rather have sex with a man, but I masturbate at least two or three times a week. I have a bunch of vibrators and dildos. Sometimes, I just can't satisfy myself. Like, I'll masturbate and cum, but I'll still be horny. My record in orgasms is 15 times in a day. I think it lasted six hours. I'd like to meet a guy who could fuck me like that! We'd never leave my bed."

Pushing her limits.

"I like a nice, thick cock. I'm into stretching and fisting, but my pussy is very tight, so I can't do a whole fist or anything. Maybe I can work my way up to that! Or, I could just ask a girl with small hands to give it a shot."

Ellie

Dallas, Texas

Ellie is a 21-year-old beauty who looks like she's a very good girl. Well, that's half right. She has an innocent look, she's a smarty pants who graduated high school two years early and she used to sing in her choir. She's an economics student who's getting straight As every semester. She's also a nasty sex freak who loves sucking and fucking cocks.

"I'm into something called free use," Ellie informed us. "That's where your partner has the ability to fuck you, make you suck them and cum anywhere they want at any time. It's basically like being a consenting sex slave. I don't have a boyfriend right now so I can't do it, but I still think about it all the time. I'm also into BDSM porn and public exhibitionism. I like my sex hard and kinky as hell."

"The kinkiest thing I've ever done was get tied up to a tree next to the highway and fucked by an ex of mine. It wasn't, like, right on the side of the road, but if people were looking up when they passed the corner, they would have seen me stark naked and bound by thick ropes. My pussy was absolutely dripping when we did that. That ex was always pushing my boundaries and it was the thing I liked most about him."

She's got them trained.

"I don't like to masturbate. It's never as good as the real thing. I have a couple of guys who I can call if I'm feeling horny. Each one can be at my house and hard within half an hour. Why would I even bother trying by myself?"

Sophia

Minneapolis, Minnesota

Sophia had her solo debut in our last issue, *NN2904*, available for purchase on page 17. In her first-ever print interview, she mentioned that she didn't have a preference for big or small cocks. But it sure looks like Sophia enjoyed the big one we gave her to play with. She eagerly gobbles up his cock, licks his balls, gets her pussy stretched and then drops to her knees for a big, fat load. What a good girl!

Sophia is a happy fucker. She bobbed her head up and down to get that dick to reach maximum stiffness. When it popped out of her mouth, she smacked her lips and said, "Yum." You have to love a young girl who is eager to please! "I've always enjoyed having a dick in my mouth. I remember giving a blowjob for the first time and being extremely nervous about doing it right. The guy came almost instantly. I guess I've always been talented at sucking dick."

"I wish I was more into anal because it seems like every guy wants to do it. I get a lot of compliments on my ass, and I've tried anal sex before when I was insanely horny and felt like I needed a dick up my ass more than I needed oxygen, but it has always ended up hurting me. I like when a guy licks my butt a little bit when going down on me, though. That feels amazing to me."

Ready, aim and fire!

"I like it when guys cum on my face. I would prefer to have sex once a day, and facials aren't very practical for mid-day sex sessions, but every once in a while, it can be hot. It's always better when the guy's a big cummer."

were common, and Julie would often revel in beating (often to the death) drunks, wanderers and gasbags at duels. She took great glee when those men were dignitaries or aristocrats. In fact, some estimate that she and her sword took well over a dozen lives, but the exact number is unknown. Once, dressed as a man, she got into a drunken argument with a man named Louis-Joseph d'Albert Luynes in a pub. It led to a challenge, and Julie stuck her sword through Louis-Joseph's shoulder, effectively ending the skirmish. But Julie liked Louis-Joseph, so she tracked him down at his house later and fucked him.

In a world of stuffy, uptight aristocrats, Julie chose her own path.

While on the road, Julie discovered that she wasn't a half-bad singer. She could entertain audiences at least, even without formal training. She ditched Sérannes and decided to exchange swordplay for the stage, finding herself a role singing for the Marseille Opéra. Her loyal fans loved her performances. One fan, a younger woman whose name has been lost to time, was especially impressed by Julie. Julie seduced the young girl and they began a formal relationship. Lesbian relationships weren't on the up-and-up in France at the time, so the girl's parents moved Julie's girlfriend to a nun's convent in Avignon. Headstrong and not one to take such an action lightly, Julie set off after her love and joined the convent as a nun-in-training, hiding her lesbian relationship from the clergy. A few weeks later, an old nun in the convent passed away. Julie stole the nun's body, dressed the corpse in her girlfriend's clothes, set fire to the convent and ran away for a new life. Of course, the authorities were hot on their tails. The couple were on the lam for three months. When they were captured, Julie's lover was sent back to her family, and Julie was tried for arson and murder as a

Aurora is from Chicago, the biggest city in the Midwest. Maybe it's because she didn't grow up with small-town ideals, but Aurora's a very sexual person who likes to be submissive. Margo

Tampa, Florida

Margo told us that she's had a lot of sex. Apparently, she's been making up for lost time. "I lost my virginity to another girl. I thought I was a lesbian because I loved her so much. It turns out I'm bi. That girlfriend and I had a bunch of threesomes with other girls, too, but we never brought in a guy. When she and I broke up, I wanted to give dick a chance. I'm so glad I did! Straight sex is totally different. They're both good, but dick feels amazing."

"My favorite position is doggie-style," Margo informed us. "That's just for when I'm having sex with guys. I like to feel dominated and small when I'm with men. But when I'm fucking a woman, I like to be in charge. I'll sit on a girl's face and grind my pussy on her nose and chin. I like to finger a pussy hard while I lick the clit, making the girl cum and squirt while I lap up her juices. It's making me wet thinking about it."

Round two in the shower?

"I like everything about anal sex except that it's hard to do spontaneously. I need a ton of lube and it gets everywhere. I always need to shower after getting fucked in my ass. It feels amazing and makes me cum, though, so it's worth it."

When a normal person works out and sweats, they want to take a shower or jump in a pool to cool off. Tiffany wants to masturbate. There's something about getting all sweaty and hot that turns her on. We're pretty sure it'll turn you on, too. "I used to play a lot of sports back in the day," she mentioned in her letter to us. "I've always been fit. man because the Parliament couldn't fathom that a woman could kidnap another woman. There are reports that she maimed and possibly killed two of the cops sent to capture her. That may be why they sentenced her to death by fire, a particularly gruesome way to off a lady. She was given time to get her affairs in order before she was to be executed, and she put that time to good use.

Newly single, Julie d'Aubigny paired up with another singer by the name of Gabriel-Vincent. They moved to Paris so Gabriel could audition for the Paris Opéra and Julie could meet with her former lover, her father's employer, the Count d'Armagnac to ask for a pardon for her murder charges. He obliged her and convinced Louis XIV to give her a full pardon. Also, Gabriel-Vincent passed his audition at the Opéra and convinced them to hire his new girlfriend, too. Incredibly, the world-renowned Paris Opéra hired Julie, now a ripe old age of 17, in a significant performing role. She became known as La Maupin, shortened from her married title Madame de Maupin. She was, after all, still a married woman. However, the relative stability and fame she received as a star on the stage was short-lived. One night after a performance, dressed as a man, Julie smooched a woman during a dance. Three noble gentlemen were so outraged by their lesbian antics, they each challenged her to a duel. Julie took them all on at once and won. Unfortunately, King Louis had a distaste for dueling and had been cracking down on the practice. Once again, Julie was on the run from the law.

Julie landed in Brussels, falling into the arms of the Elector of Bavaria, a quasi-independent hereditary electorate of the Holy Roman Empire. They were happy for a time, but Julie's hot temper and violent streak were too much for the Elector. He offered her 40,000 Francs to break up. Insulted, she threw the money at his feet and marched off to Madrid, Spain. There, she worked as a maid for a wealthy countess. She would purposefully sabotage the countess's

"CUM ALL OVER MY BIG TITS!"

This singer made other chicks hit high notes, too!

hair and dresses because she reviled the woman, so that job was short-lived. She returned to Paris shortly afterward to face punishment for the three-man duel. In another fortunate twist of fate, the King's brother was a fan of Julie's singing and pardoned her for her crimes once again. As a free woman, she performed almost all of the Paris Opéra's major productions, sang for the Court of Versaille and threatened to put a flintlock bullet through the head of the Duchess of Luxembourg after a poor review. These years were the most stable of Julie's life, but she didn't have a long-term partner with whom she could share her life.

Julie d'Aubigny had many lovers, but the love of her life was Madame la Marquise de Florensac, a head-turner she met in 1703. Florensac was a fabulously wealthy, charming and connected woman, allowing Julie to live a life of luxury for a time. Their happiness was cut short just two years after beginning their relationship when Florensac died from a fever. Julie never recovered. Mourning her great loss, she moved into a convent and became a nun (without the arson this time) before passing away at the age of 33. She lived a life of adventure, intrigue and passion. We like that in a woman. **NN**

Myra

Montgomery, Alabama

"The best sex I've ever had was with a guy who had a five-inch cock," Myra told us. "A guy doesn't have to be humongous to please a woman. In fact, I've been told that my pussy is too tight. I really wanted to fuck this one guy I worked with. We tried and tried, but he had this gigantic dick head that refused to go into me. We didn't have any lube, either, so it just didn't happen. I was pissed off."

"I don't have a favorite sexual position because it depends on my mood, the guy's cock and how energetic we both want to be. If I'm feeling really horny, I like to be on top, but the guy needs to be long enough that I can ride him fast without him popping out. I like doggie, too, but my pussy is shallow, so the guy can't be too long. All of the positions can be fun."

"My biggest fantasy is to do a gangbang or a blowbang. I want to be the center of attention, with all of the guys staring at me and waiting their turn to use my pussy or my mouth. I know it's dirty, but it gets me wet just thinking about it. It's funny, though. I've tried to watch gangbang porn while masturbating and it doesn't do it for me. I think it's because I want to be the girl on screen, and I can't put myself in her position mentally because I've never done that before."

They're all good options.

"I used to like swallowing cum when I had a steady boyfriend, but I don't do it for casual hookups. I'll let a guy cum on my face or my chest. I haven't had a creampie in ages, but again, I need to know the guy to do that."
